Dedication

We hope that our future will be successful. We live not just for material wealth, but for self-satisfaction as well, knowing that we contribute something, no matter how small, to this complicated world of ours.

As we are growing older, the world is becoming smaller. Time goes by faster; and we begin to think of the future. We want to know the how and the why of things. Creswell High School is a stepping stone in preparing us for this future. Education is giving the answers to the How's and Why's.

This book is dedicated to the future--your future, our future--for we are a nation, a people, and finally a way of life ever changing.

Superintendent-Principal

Principal's Message

CONGRATULATIONS

to the Class of 1962:

This year's seniors undoubtedly comprised one of the finest academic classes to be graduated from Creswell High School. Almost one-third graduated with an average of 3.00 or better. It also numbers among its members a National Merit Scholar. This is the first time such a distinction has come to a Creswell Graduate.

To add further luster to the graduating class, three other seniors placed in the top four per cent of the National Merit Scholarship competition.

Best wishes to all of you and we hope we have been able to partially prepare you for the fast moving age in which we live.

Larry Oslund

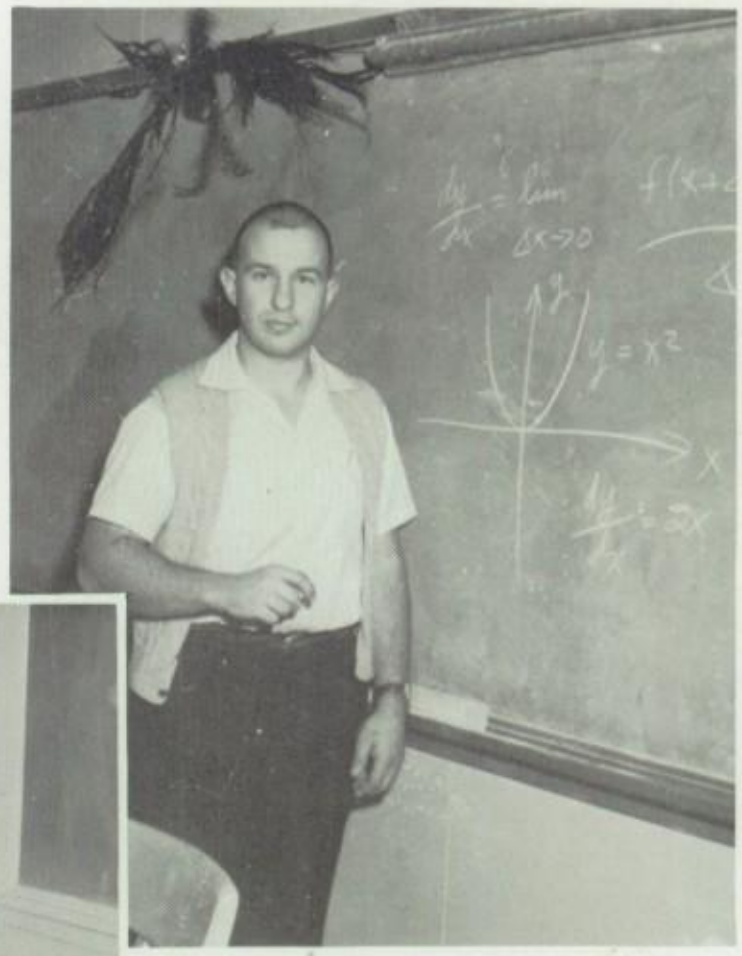
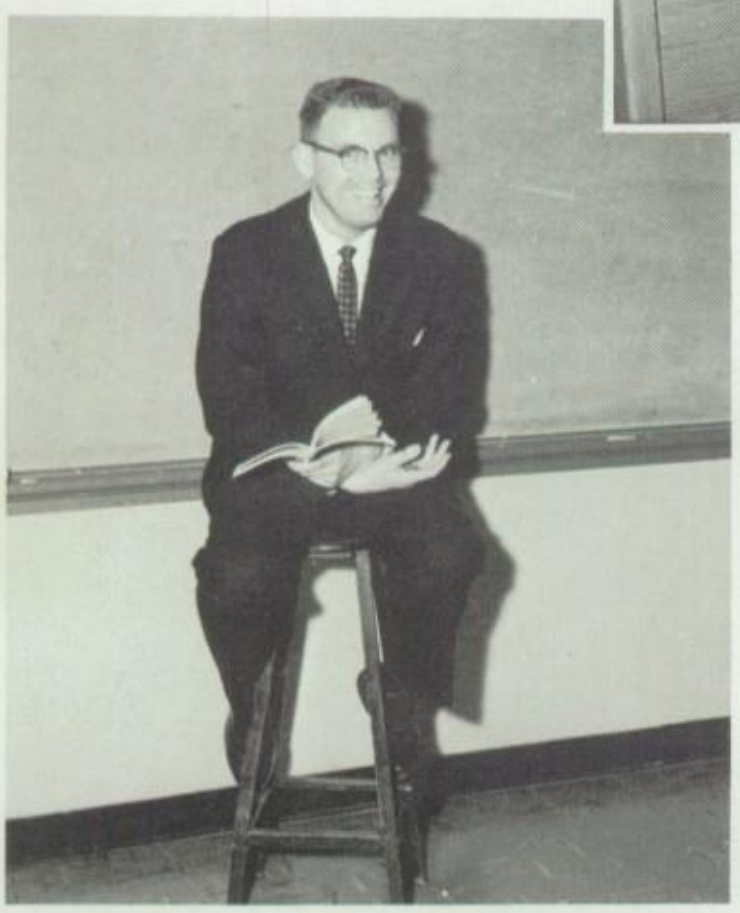
Our Faculty Guides

"This is the best excuse I've heard yet," laughs Mrs. Calhoun, school secretary.



"The difficult we do immediately, the impossible takes a little longer," is the philosophy of Mr. Barnes, Math Teacher.



"There's no doubt about it, this is 'red hot stuff'," exclaims Mr. DaPron, American Problems, U.S. History, International Relations teacher and Track coach.

"Come on in and have a chair," smiles Mr. Cook, Guidance Counselor, biology and P.E. Teacher; and basketball coach.

"All right you 'crackerheads' let's get down to business," says Mr. Ellis jokingly. He teaches Science, and Gas Engines; is football, baseball and J.V. basketball coach, and Junior Class advisor.

Us Through the Halls

"Time!" yells Mrs. Jacobson, Business Education teacher, and Senior Class, Cres. Hi Press Club, N. H. S. and Crescendo Advisor.

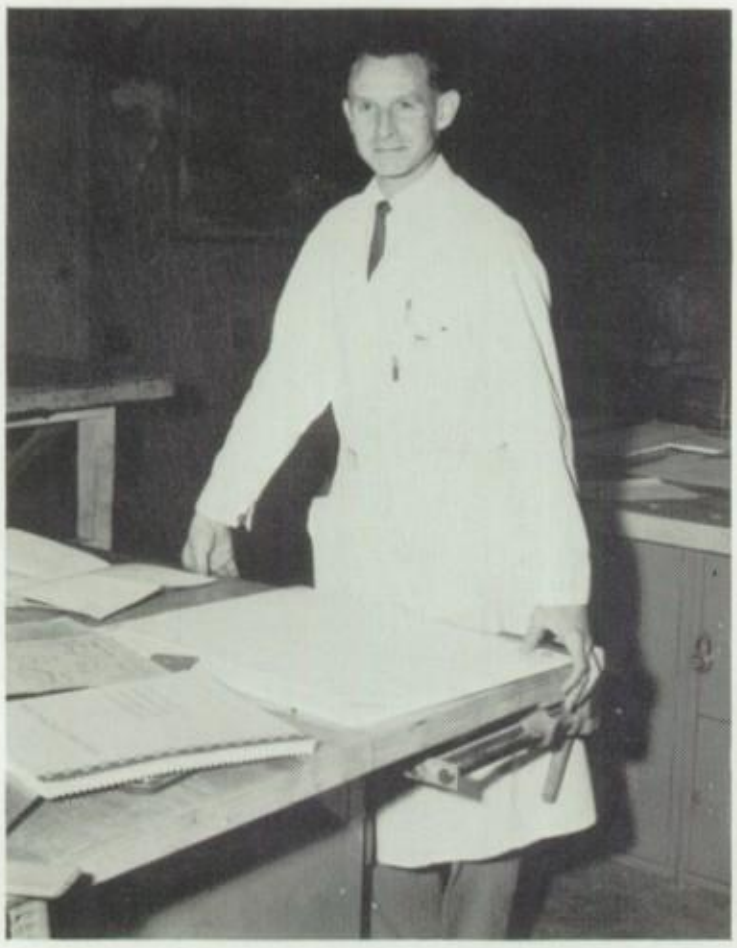
"Home is where the heart is," beams Mrs. Laylor formerly Miss Robertson. She teaches English II and III and Library. She is also Pep Club and Freshmen Advisor.

"Are you with me girls?" asks Mrs. Little as she domonstrates to her Home Economics Class. She is also Dean of Girls and F. H. A. Advisor.

"A trim figure is always a healthy figure," smiles Mrs. LeFevre, Girls P. E. and Health teacher. She also teaches Spanish I and II, English I and is G. A. A. Advisor.

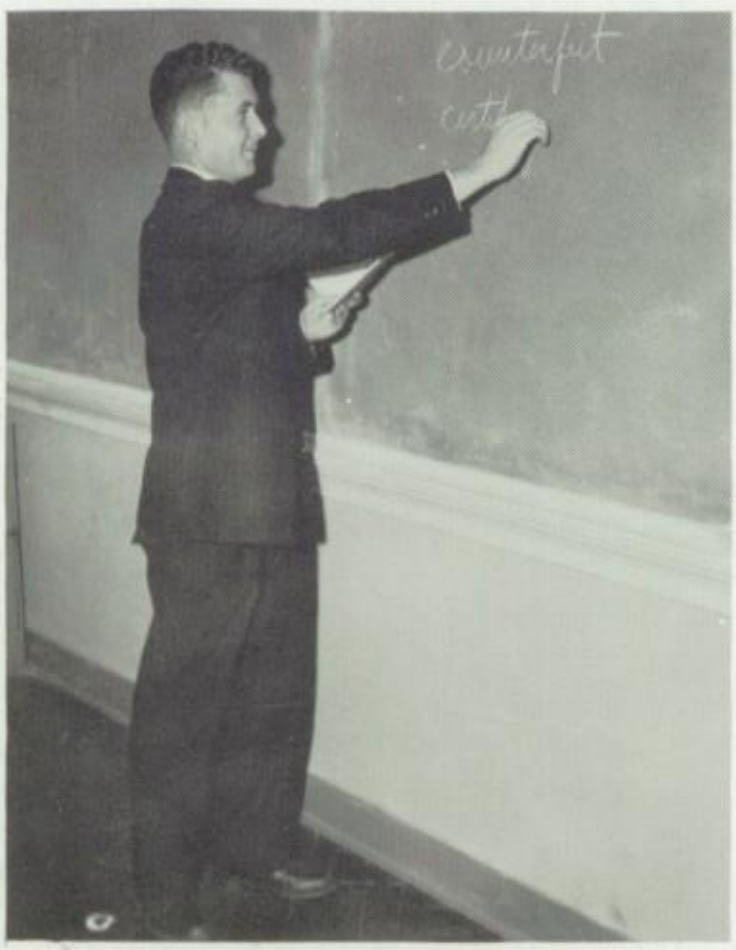
"One and a Two and a----," sings Mr. Oakes, Chorus and Band teacher.

Of Learning



"Oh, the life of a bachelor," smiles Mr. Pawlouski. Shop and Mechanical Drawing Teacher.

"It's not P.E., it's Physical Education," says Mr. Peck, Physical Education teacher, World Geography, World History, teacher and Sophomore class advisor. He is also wrestling and football coach.



"I'm not a colorful character" is heard from Mr. Todd, English Teacher and Annual Advisor.

"They don't make them as handsome as me anymore", smiles Mr. Yano, Physical Science, Consummer Math, Basic Math and 9th grade math teacher. He is also Vice Principal.

Student Body Officers

"This being my last year at Creswell High School, and as Student Body President I don't get a chance like this very often, so now I would like to thank all of you for helping to make Creswell High the school it has become.

I would like to thank each and every one of the student body members for the co-operation you have given the student council this past year. Without this participation, the council could not have functioned. I hope you will give your next year's officers as much, or even more co-operation and I am sure they will serve you to their utmost.

The students who will be graduating with me this year, I wish the best of luck in the future and to those students who still have a year or more to complete I also wish the best of luck. It will be up to you to take on the responsibiltiy of keeping up the standards of Creswell High School."

PEARL BAILEY

SUE HANSON
Treasurer

Student Council

The Student Council consists of the Student Council officers, the president and secretary of each class, and one representative from each chartered organization.

This year the Student Council sponsored the Print and Chord Dance, the carnival, the painting of the Bulldog on the gym floor, the painting of the C on the gym wall, and fixing the stage.

The biggest event of the year was promoting the Foreign Exchange Student program. Each class was organized to raise money for the Foreign Exchange Student. The next step was organizing a community committee, as a result our Foreign Exchange Student will be attending Creswell High School in the year 1962-63.

BACK ROW: C. Gorby, A. Hiday, C. Bugbee, S. Peterson, M. Land, B. Jones, Mr. Oslund. FRONT ROW: B. Clugston, J. Llewellyn, L. Gray, J. Walkup, L. Campbell, D. Watson. LEFT SIDE: R. Calhoun, Vice-President; S. Hanson, Treasurer; B. Markley, President; P. Bailey, Secretary; D. Zaklan, Sergeant-at-Arms.

SENIORS

The officers of the Class of '62 were Bev Clugston, President; Steve Blowers, Vice-President; Carol Gorby, Secretary; Marilyn Land, Treasurer; Mike Taylor, Sergeant-at-Arms; Mrs. Jacobson, Advisor.

Facit Winners

Bonnie Heater

Bonnie Heater qualified for her second year in the annual Facit National Typing Accuracy Contest with a perfect 81 words a minute.

Bonnie, Diane, and their commercial teacher, Mrs. Jacobson, traveled to Seattle to compete in the Northwest semi-finals.

For a while, it looked as if Bonnie was going to be announced as the 2nd place winner. Her paper went through four of the five judges, but the last one found an error on her perfect five-minute timing at 70 words a minute. The error was the last stroke of the last word she typed. As a result she dropped back to fifth place.

Diane Akins

Diane Akins qualified for her first time this year in the annual Facit National Typing Accuracy Contest with a perfect 70 words a minute.

Although she didn't place, she is encouraged by Bonnie's success, and hopes to make the trip again next year and bring back first place for Creswell High School.

JUNIORS

The Class of '63 chose for its officers Carolyn Ellis as Treasurer; Dan McDonald as Vice-President; Art Hiday as President; and Colleen Bugbee as Secretary.

The junior class has been busy this year participating in athletic activities, fund raising activities, the "Powder Puff" football game, and planning a very successful Junior-Senior Prom.

G. A. A.

The purpose of G.A.A. is to promote sportsmanship, athletic accomplishment, love of the out-of-doors, good health and to provide opportunities for participation in group sports.

In order to join the club, earning 50 points is required. All sports and play days count 10 points each.

This year the club participated in various play days, went to a swim show, had a wiener roast and sponsored the Sadie Hawkins Dance.

Pep Club

School spirit and morale are important components of every high school. That is why good pep clubs are so valuable; they build and sustain school spirit. Our Pep Club moved into action early in the summer of 1961 to earn money for complete uniforms. During the year Pep Club was kept busy making posters, attending games, and providing skits for pep assemblies. Pep Club's highlight of the year was the Homecoming game and dance.

This past year, Creswell's chapter of the National Honor Society sponsored a textbook drive for the Asian Foundation. N. H.S. also served at the P. T. S. F. meetings.

Each year Creswell scholars are rewarded with a trip. This annual expedition took the N. H. S. of 1961-62 to Portland. A tight and tiring schedule proved to be an enjoyable and educational four days.

Ten excited Senior students left at six o'clock Thursday morning for a day of touring colleges and universities between Eugene and Portland. Oregon State University, Willamette, and Lewis and Clark started the day off fine. A tour of Reed College (where no one wears shoes and studies in trees) was unusually interesting to a group of shoe wearing high school seniors.

A quick run to the Washington Hotel to change and then dinner at the Bohemia restaurant left everyone tired and ready for bed.

Friday, Creswell students attended Grant High School which has a student population of 3,000. The rest of the day was spent at the Portland Zoo and the Oregon Museum of Science and Research. Cinerama was scheduled for the evening and after a tiring day everyone retired to the hotel for a good nights sleep.

Saturday morning started off with a visit to the Shrine of Our Sorrowful Mother. The rest of the day was spent visiting Multnomah Falls, Portland Airport, and Bonneville Dam. A Japanese dinner and an English play at the Civic Theater provided an evening of pleasure for a group of very American teenagers.

Ice skating on Sunday morning and an afternoon snack at Fords Drive-In topped off a perfect four day trip.

N. H. S. completed the 1961-62 school year by working toward a goal for the whole student body. Along with all the other organizations of Creswell High School, N. H. S. helped to reach the quota set which would sponsor a Foreign Exchange Student at Creswell.

the plays will be pre-
he afternoon of April 6.

CRES HI PRESS CLUB TOURS OREGONIAN

What's a "slug"? A slimy creature of the earth? No, not this time. It's a strip of metal with the words for a line of newspaper print on one end.

Each of the 18 members of Cres Hi Press Club who visited the Oregonian on their field trip to Portland March 23 received a slug, as well as a section of a mat and a cut.

The tour of four floors of the Oregonian-Journal plant took an hour and a half. Students were interested to learn that under the new organization, the Oregonian and the Journal still maintain separate quarters, separate news departments and libraries.

The art department and the photography dark room were of special interest to the group.

After the Oregonian tour, students ate dinner at the Hippopotamus Restaurant in Lloyd Center and went ice skating.

STUDENT BODY ELECTIONS DUE

CRESCENDO STAFF--LEFT TO RIGHT: D. Watson; F. Redding; A. Hutchinson; P. Wheeler; K. Harold, Secretary-Treasurer; K. Mawson; B. Clugston; S. Syphers; S. Peterson; P. Bailey; K. Skinner, News Editor; S. Hanson, Editor-in-Chief; Mrs. Jacobson, Advisor; D. Topp, Sports Editor.

J. City	19	Creswell	6
Oakridge	13	Creswell	0

Football at Creswell is in the process of building a winning team. It will take some time to change the thinking that we never win, why try. You don't need to have a winning team to have a successful season, but a winning team has a higher moral and a better spirit. Creswell has the ability and the personnel and with a little determination will produce a team that is competitive in the Emerald League.

I think Creswell's football team in the fall of 1962 will be another building year with the team breaking even in the win-loss column.

Creswell needs every one that likes contact sports to turn out for football this fall. Let's all help to have a winning football season again.

Wrestling

The Bulldog grappers led by co-captains S. Blowers and S. Peterson had a good year on the mat. The over all season record was 4 wins, 6 losses and one tie. The highlight of the season was when the Bulldogs defeated the conference champions J. City. The individual highlights at the District Wrestling Tournament were the performances of S. Peterson and S. Petty. S. Peterson, winning 2nd place enabled him to go to the State Wrestling Tournament. S. Petty took 3rd in the conference meet.

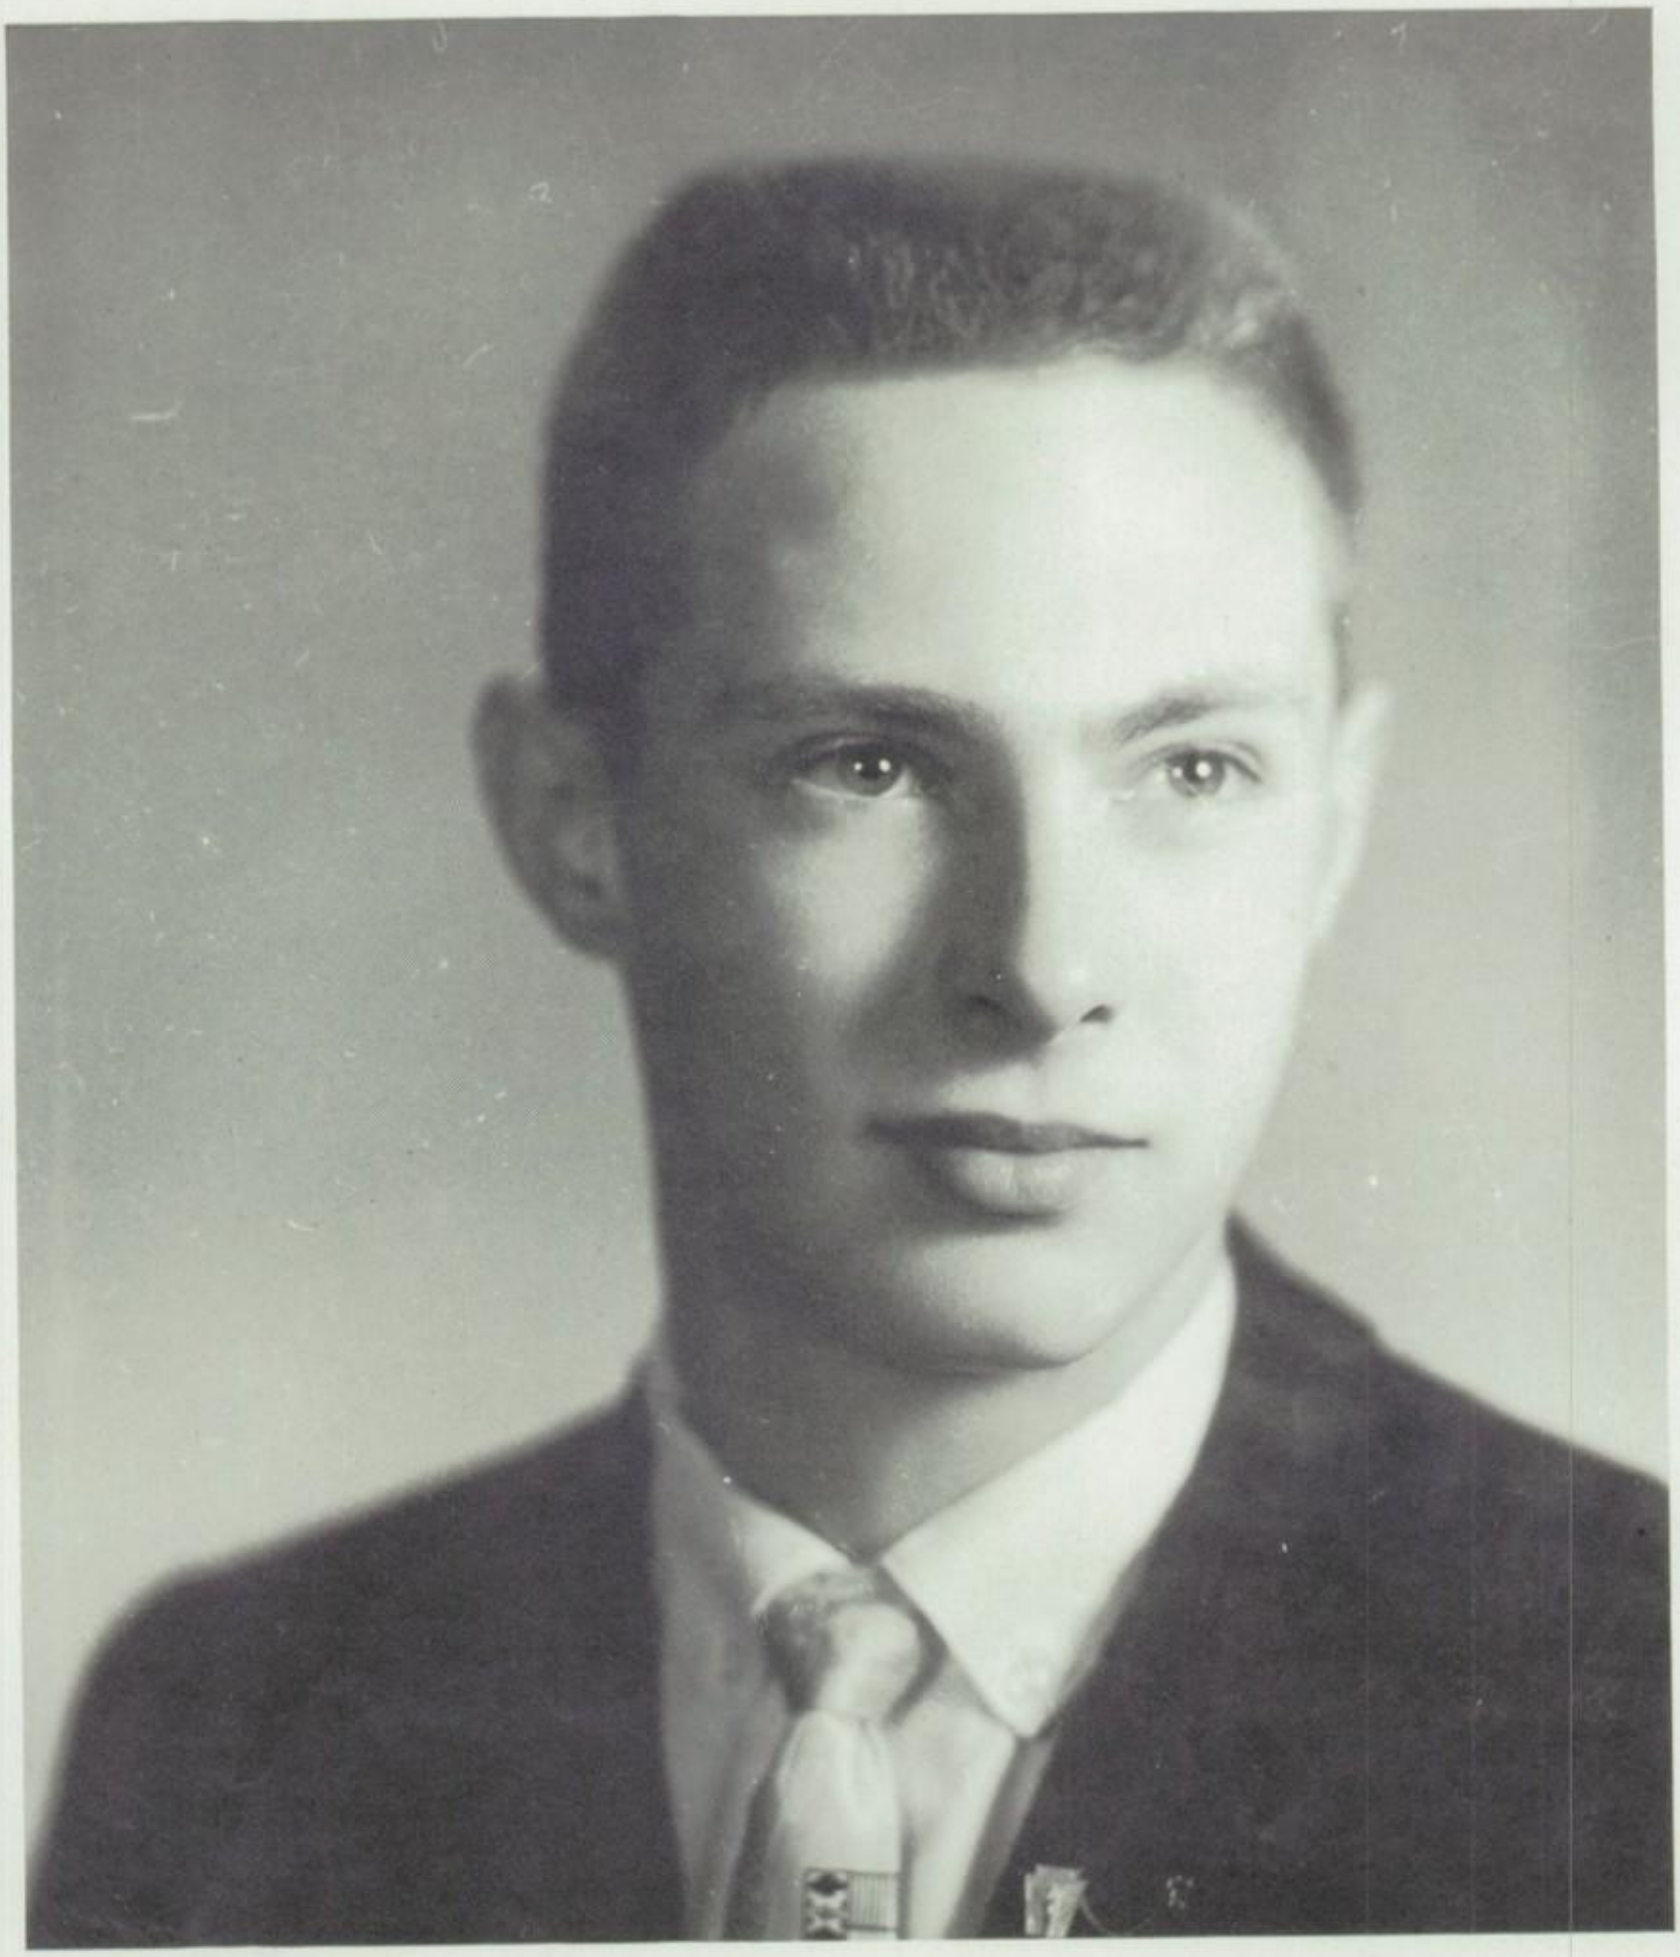
Scholastic Achievements

Student Of The Year



Steve Peterson, 1961-1962 Valedictorian, was chosen as May Student of the Month and also Student of the Year, for his outstanding scholastic achievements.

In his Freshman year, Steve was selected as Outstanding Freshman Boy, and throughout his high school years he led the Class of '62 to a position of the highest scholastic standing throughout the high school.

The Georgia-Pacific college scholarship for $3,000 was awarded to Steve on the basis of high scholarship. His total G. P. A. was 3.76.

Steve is now attending Oregon State University where he is majoring in Chemistry.

Class

C. Tokie and J. Kelsch receive Beauty Scholarships.

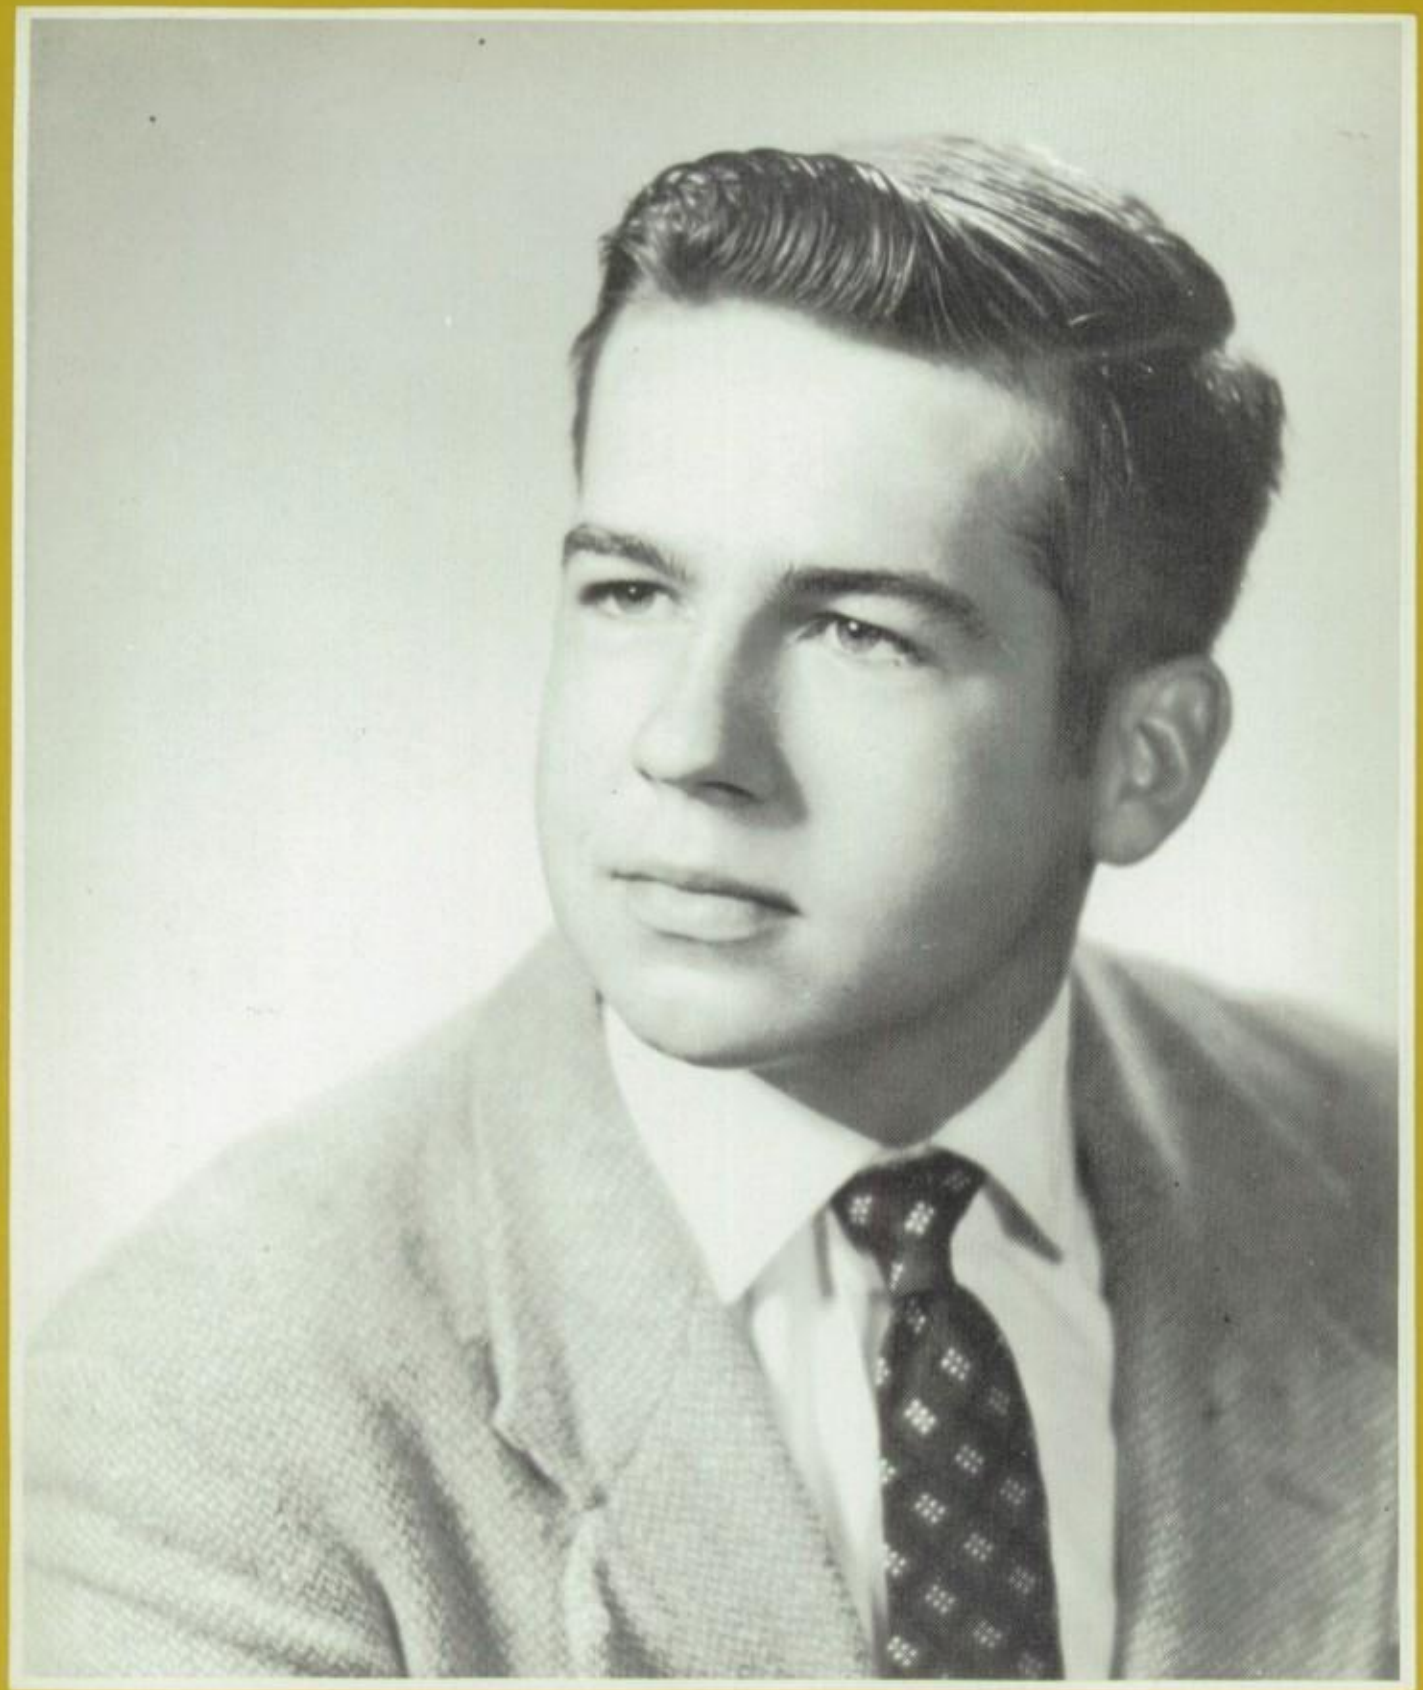
Semester Graduate



Larry Gerstner

Everyday one encounters many different individuals. Some may look alike or talk similar but each is different in his own way. Each has a mind of his own which is influenced by past experience, everyday knowledge, the five senses, and human curiosity. Each mind is superior; each has its place in the wide world. It is therefore necessary that each individual is given the opportunity to develope his mind; and to be the kind of person he wants to be. It is equally important that each recognizes this opportunity and takes advantage of it.

In the United States, today, our educational opportunities are often taken for granted and are not fully appreciated. Fortunately, this does not always hold true. For example, last year Creswell promoted Larry Gerstner. It wasn't a normal graduation exercise as the student body seated in the gymnasium recognized. It was a modest little exercise to promote Larry from high school.

Larry didn't graduate with his class, but this didn't stop him. He came back to school the following year to complete his high school education and to take advantage of one of the opportunities offered him as a citizen of the United States.
